

Sponsorship Opportunities

HEALTH ADVOCACY & POLICY SUMMIT

The Health Advocacy and Policy Summit is a collaborative event by the Colorado Public Health Association's Emerging Leaders Committee and the Colorado School of Public Health.

We focus on providing tangible advocacy skills in health and policy for public health students, early careerists, and professionals. This sponsorship opportunity is a chance to engage with over 100 public health professionals and emerging leaders in the field of public health!

Booths will be featured in the foyer along with registration and the same location as lunch. During the sessions you are welcome to participate in the workshop, listen to speakers, and engage in the sessions.
